### Submitted Papers

Papers on any philosophical topic are welcome. Papers should be designed for a presentation time of about 20-30 minutes. Submitted papers must be postmarked or sent electronically no later than **Monday, January 11, 2010**.

Send one copy of your submission in a format suitable for blind review to Christian Miller at either:

[millerc@wfu.edu](mailto:millerc@wfu.edu) (preferred) or Christian Miller, P.O. Box 7332, Department of Philosophy, Wake Forest University, Winston-Salem, NC 27109

In a cover letter or in the body of your email, please indicate your name, email address, phone number, and institutional affiliation (if any). If you wish your paper to be considered for a prize (see below), you should submit two copies (in the case of postal submissions) and indicate in your cover letter or email whether you are an untenured faculty member, graduate student, or undergraduate.

### Panels and Workshops

Panel and workshop proposals on any topic in philosophy, including its pedagogy, are welcome. Proposals should specify issues to be discussed, format (including time to be allotted), and names of presenters, and should include brief abstracts of presentations.

### Undergraduate Papers

A sufficient number of undergraduate submissions will allow for a session devoted to papers by undergraduates. Undergraduate submissions should be clearly labeled as such.
